Minutes to the city...just steps to the sand.

Perth's Scarborough Beach offers a vibrant lifestyle and is where all of Perth comes to play; long summer evenings come alive at beachside cafes, pubs and clubs and the weekends are all about surfing and swimming in the Indian Ocean's clean, sparkling waters. The city is close by, or if you are looking for an adventure, there are many exciting West Australian destinations to explore.

Lexis Perth is close to all the amenities you could possibly need, with the convenience of public transport links at the front of the campus. The school is just minutes to the city and just steps to the sand, with a welcoming, friendly atmosphere in which students feel genuinely at home.
