Program Description

The Diploma in Business Communications provides students with a diverse range of skills and knowledge. Students will develop the technical skills they need for business, as well as critically important soft skills that are highly sought after by employers, like effective communication and teamwork in the work place. Through the work experience component students will strengthen their resume with Canadian workplace experience.

Co-op Work Experience

This Work Experience is an integral part of the Co-op program. Students will apply the theories learned in class in real world work settings that are relevant to their field of study and align with the learning objectives of the program. Program Orientation and Pre-Placement prepares students' for finding a suitable placement. Throughout the work experience term, you will receive the support and guidance of a dedicated Co-op Program Advisor who will work with you and ensure that you receive all the support that is needed to successfully complete the program.
