OPTIONS FOR CANADIAN IMMIGRATION OPEN TO TAMWOOD CAREERS STUDENTS

Canada is actively seeking more immigrants and has a number of immigration programs designed to attract specific groups of immigrants including internationals who have Canadian education and work experience, foreign skilled workers and entrepreneurs.

CANADA'S STARTUP VISA PROGRAM

Canada's Startup Visa Program targets immigrant entrepreneurs with the skills and potential to build businesses in Canada.

Students in the Global Startup School @Tamwood Careers develop a business idea as well as the skills, entrepreneurial mindset, Canadian business connections and financing opportunities necessary to turn their idea into a successful business in Canada. Tamwood Careers supports students, through its training, mentoring and introductions to Recognized Incubators in Canada, to qualify for the Canadian Startup Visa. You don't need to have a business idea to get started. Ask us about how we can help you (and your family) immigrate through this program.

EXPRESS ENTRY PROGRAM: CANADIAN EXPERIENCE CLASS

Internationals with good language skills in English and/or French, Canadian work experience and Canadian education may qualify for immigration under this program.

Canadian Experience Class Pathway for Tamwood Students

1. Students can study IELTS preparation with Tamwood Language Centres to prepare for the IELTS exam.
2. Students can transfer the courses they took at Tamwood Careers into one of Tamwood Careers' partner public colleges to qualify for a one year Post-Graduate Work Permit and get their Canadian work experience.
3. Students earn extra points for having a Diploma from Tamwood Careers.

EXPRESS ENTRY PROGRAM: FOREIGN SKILLED WORKER

This program is for skilled workers with foreign work experience who want to immigrate to Canada permanently. There are minimum requirements for education, language ability and skilled work experience.

International students with prior work experience can earn more points to qualify for this immigration program by studying with Tamwood:

1. Study English at Tamwood to obtain points for language skills – maximum points 28
2. Study in a certificate or diploma program at Tamwood Careers to get points for education – 15 points for a Tamwood Careers Diploma
3. Turn your Co-Op work experience into an arranged job offer after graduation and earn an extra 10 points for having an arranged job

UNIVERSITY TRANSFER PROGRAM

Tamwood Careers students who want to further their Canadian education at a Canadian public college or university have the option to apply to one of our pathway partners for admission with advanced standing. Tamwood has entered into articulation agreements with several public institutions and a private university in Canada that allow for a block transfer of courses from Tamwood Careers to the public institution/private university.

Why start your Post Secondary Education Program at Tamwood Careers:

1. **Flexible start dates:** most of our programs offer monthly intakes so you don't have to wait for the next available start date at a public college or private university to start studying in Canada.
2. **Small classes:** classes at Tamwood are small, with a maximum of 24 students, so you can begin your studies in Canada in a supportive and personal environment.
3. **Flexible study locations:** Tamwood has campuses in Toronto, Whistler and Vancouver so you can start your program at Tamwood Careers in any one of these cities and later move to another Canadian location to attend a public college or university to complete your program.
4. **Save money:** Tamwood Careers' tuition fees are less expensive than most public colleges and universities so you can save money by completing some of your courses towards your degree or public college diploma at Tamwood Careers.

5. **Obtain two credentials:** by starting your program at Tamwood Careers and then transferring into a public college or university you will finish with two credentials: a certificate or diploma from Tamwood Careers and a diploma or degree from one of our pathway partner institutions.
6. **Become eligible for a post graduation work permit:** students who articulate from Tamwood Careers into a public college or university and complete their studies on a full-time basis are eligible for a post-graduate work permit which allows them to stay and work in Canada for up to three years post graduation.
7. **Gain admission with a lower English level:** Tamwood Careers has a lower admission requirement with respect to English language skills than its pathway partners so you can start studying in your preferred program at Tamwood Careers and upgrade your English skills while studying at Tamwood Careers through an English program at Tamwood Language Centres.

ENGLISH PREPARATION FOR UNIVERSITY

Students who want to transfer their Tamwood Careers courses into a program at a Canadian University or public college can take the English for Academic Purposes Program offered by Tamwood Language Centres during their Tamwood Careers program to ensure they meet the English language requirements for admission to one of our pathway partner universities / public colleges.

PATHWAY PARTNERS:

* Contact Tamwood Careers for more information on the Tamwood Careers programs that articulate to public colleges and private universities and for the admission requirements for these partner institutions.
